QUADRANGLE:

- Quadrangle cleaning will be done once in a month and all the unwanted weed plants will be removed.
- Stones and other harmful objects will be removed from the quadrangle.
- Protruded tree branches inconvenient for playing and coming in the way of flood lights will be removed.

AT HOSTEL ENTRANCE:

- Shaping of shrubs in and around the lawn will be taken up twice in a semester.
- Mowing of lawn also will be carried out twice in a semester.
- Proper maintenance of badminton court (outside) is assured.

INSIDE THE HOSTEL:

- Area in front of new stage will be cleaned and maintained properly.
- New trees and shrubs will be planted on the other half of quadrangle.

OVERALL MAINTENANCE:

- Manure will be put up regularly to the soil in the garden to all the plants.
- Thorns in and around cycle shed will be removed.
- Braches of trees which cause inconvenience on the back side of A1 and B1 wings will be removed.
- Spraying of pesticides (if necessary) to plants.
- The area in front of IP board will be maintained properly.

NEW INITIATIVES:

- An aquarium at the entrance of hostel in front of IP board, which will eventually increase the aesthetics of the hostel (if warden allows).
- Tables will be put up inside the lawn.

MISCELLANEOUS:

- Change of volley court in co-ordination with sports sec.
- I am planning to make the area at new entrance more aesthetical (in case if there is any change in the entrance and budget can be brought in co-ordination with AAS).
- Removing of all the stones and weed plants in front of the new hostel gate (in case if there is any change in the entrance).
